### MESSAGE FROM THE PRESIDENT

#### Welcome to Western Leyte College!

Welcome to the official website of Western Leyte College. We have been providing quality and affordable education for over 60 years of existence in Ormoc City and in the whole province of Leyte and Samar.

We have honed thousands of alumni; many of them have been working in industries here and abroad. This only show that the high quality educational experience here at WLC to prepare students achieve better career professions in the future.

With this, I could say that I am proud and privileged to serve as College President for years now.
